Today's Note:
Deacon left before the class started and I could speak to dad. He didn't do much of the activities last week. Just want to check in with them and see where they are at and what they want from the program because I think it will be hard to get him to do activities. His first trial he did a few but it seems if he isn't in the kids from the start there's no chance of getting him involved. Josh
